REPAIRS

PC, Xbox, & DS Lite

Xbox Repairs/Mods	
DVD drive replacement Disc read errors and tray problems. This includes a new drive.	$60
Drive Flashing Update your DVD Firmware to ANY firmware you want (including ixtreme) Lite-on drives are harder.	**$30** Most drives **$50** Lite-on
RROD Fix (Red Ring Of Death) X-Clamp fix only! Works MOST of the time.	$45

I also buy broken Xbox's and Nintendo DS Lites

PC Repairs	
PC Tune-up Spyware/Virus removal. Startup entry cleanup + all updates available from windows update	**$40**
Windows Reinstallation Sometimes the best thing for your computer is to start new! We back up all of your documents and restore them on the new install! You will need software install disks and specify which programs you need backed up!	**$50**
Minor Part Installation This includes RAM, drives, Power Supplies, cards and all drivers associated with them. Prices on parts are constantly varying, but we always search for the best price and pass the savings on to you. Please call if you need a specific part and I can order it for you if it's not currently in stock.	**$10**
Custom Training If there's anything you'd like to learn regarding computers or the internet, custom training is available! Want to know how to do certain things online? Want to learn how to buy/sell things on eBay? Give us a call!	**$20/hr**

Many other services are available from networking to setting up automated data backups to data recovery! I even offer full blown web development services and web hosting starting at $10/mnth.
